My Homework

Lesson 3

Make Picture Graphs

Homework Helper

Need help? connectED.mcgraw-hill.com

A picture graph uses pictures to show data. You can use a tally chart to make a picture graph.

Favorite Flower		
Flower	Tally	Total
Daisy		4
Rose		2
Tulip		5

Favorite Flower					
Daisy					
Rose					
Tulip					

Practice

- Write the totals in the tally chart.

Favorite Juice Flavor		
Flavor	Tally	Total
Orange		
Grape		
Lemonade		

- Use the tally chart in Exercise 1 to make a picture graph.

Favorite Juice Flavor						
Orange						
Grape						
Lemonade						

3. Write the totals in the tally chart.

Favorite Toy		
Toy	Tally	Total
 Bone		
 Rope	I	
 Ball	II	

Ready to play!

4. Use the tally chart in Exercise 3 to make a picture graph.

Favorite Toy							
 Bone							
 Rope							
 Ball							

Vocabulary Check

Complete each sentence.

data

picture graph

- A graph shows information or _____.
- A _____ uses pictures to show data.

Math at Home Help your child survey 5 people to find their favorite dinner food. Have them choose from pizza or hamburgers. Then help your child make a picture graph to show this information.
